BE EASY ENTERPRISES LLC

Delivering Secure, Compliant, and Innovative IT Solutions

CORE COMPETENCIES

- *AI/ML Security (Model Security Assessments, Adversarial Testing, Secure Deployment Pipelines)*
- *Cybersecurity Engineering (24/7 SOC Implementation, Incident Response, Security Monitoring)*
- *Federal IT Solutions (FedRAMP, CMMC 2.0, NIST 800-53 Implementation)*
- *Penetration Testing (Red Team Operations, Vulnerability Management, Supply Chain Security)*
- *Cloud Security (Zero-Trust Architecture, DevSecOps Pipeline Security, Multi-Cloud Governance)*
- *Security Architecture (Zero-Trust Design, Secure System Engineering, Security Automation)*

DIFFERENTIATORS

- *Service-Disabled Veteran-Owned Small Business (SDVOSB verified)*
- *Security-First Approach with advanced threat intelligence integration*
- *Expert-Level Certifications including PMP, CISSP, CEH, and cloud certifications*
- *Federal Compliance Specialists for FedRAMP, CMMC 2.0, NIST*
- *AI/ML Security Innovation with proprietary assessment methodologies*
- *Agile Project Management with rapid deployment capabilities*
- *DoD Program Experience including classified environments*
- *US Army Veteran Leadership with 15+ years of federal experience*

PAST PERFORMANCE

• *Federal Agency Security Transformation*	1. *Client: Cabinet-Level Federal Agency. Implemented zero-trust architecture and FedRAMP High controls. Achieved 95% reduction in security incidents and successful FedRAMP authorization.*
• *DoD AI/ML Security Program*	2. *Client: Defense Agency. Developed custom security framework for AI/ML pipelines with continuous monitoring. Achieved zero security breaches and 100% compliance with DoD security requirements.*

NAICS & PSC CODES

• *NAICS 541512: Computer Systems Design*	• *NAICS 541513: Facilities Management*	• *NAICS 541519: Other IT Services*
• *NAICS 541511: Programming*	• *NAICS 541690: Technical Consulting*	• *NAICS 518210: Data Processing*
• *NAICS 541611: Management*	• *NAICS 541990: Technical Services*	• *NAICS 541330: Engineering*
• *NAICS 541715: R&D*	• *NAICS 513210: Software Publishers*	• *NAICS 541430: Graphic Design Services*
• *NAICS 541618: Other Management Consulting*	• *NAICS 611430: Professional & Management Training*	

• PSC D310: IT Security Services	• PSC D316: Network Security	• PSC D320: Data Security
• PSC D399: Other IT Services	• PSC D308: Programming Services	• PSC D302: IT Systems Development / Software Publishing
• PSC D304: Cloud Computing	• PSC D307: IT Strategy	• PSC D313: Data Services
• PSC T006: Graphic Design	• PSC R408: Other Management Consulting	• PSC U008: Professional Training

FEDERAL COMPLIANCE

- *FedRAMP High/Moderate (Rev 5) - Cloud security authorization*
- *CMMC 2.0 (All Levels) - Defense contractor cybersecurity*
- *NIST 800-53 Rev 5, 800-171 Rev 2 - Federal security controls*
- *FISMA High Impact (2023) - Federal information security*
- *Section 508 (WCAG 2.1 AA) - Accessibility compliance*
- *FAR/DFARS (2024) - Federal acquisition regulations*

CERTIFICATIONS & DESIGNATIONS

• SDVOSB	• VOSB

CLIENT SUCCESS METRICS

• Security Incident Reduction: 95% reduction in client security incidents	• Client Cost Savings: $4.2M in documented client cost savings
• Compliance Success Rate: 100% success rate in compliance implementations	• Client Satisfaction: 4.9/5 average client satisfaction rating

CONTRACT VEHICLES

• Direct Awards (up to $4M) under SDVOSB	• SDVOSB Set-Asides (FAR 19.14 / VAAR 819.70)
• Simplified Acquisition Procedures	• Credit Card Purchases (under $10K)
• GSA MAS IT (In Process)	• 8(a) STARS III (Planned)

COMPANY DATA

Legal Name:	BE EASY ENTERPRISES LLC
